

NIMBLE KIDSZ FAMILY HANDBOOK

WELCOME TO NIMBLEKIDSZ

- Nimble Kidsz is an outside school hours care program designed to give children a balanced, structured, and active afternoon.
- We combine care, routine, and activity so children finish the day engaged – and families get a simpler, more organised routine.

OUR APPROACH

We don't extend the school day – we balance it.

Our program is built around:

- A structured afternoon routine
- A balance of calm and activity
- Strong relationships with familiar educators
- A consistent, supportive environment

RELATIONSHIP & CONSISTENCY

- We believe children thrive in familiar environments.
- same educators work with children each day
- Owners are present and involved in the program
- Strong relationships are built over time

SPORT & ACTIVITY

Activity is a key part of our program.

Children take part in:

- Structured games
- Indoor sport
- Team-based activities

We also offer optional seasonal competitions such as indoor cricket, soccer, footy, netball, dodgeball and outdoor laser tag

All sport is organised by us including equipment, coaching, and structure.

WHAT A TYPICAL AFTERNOON LOOKS LIKE

Each day follows a simple and consistent structure:

- School pickup
- Arrival and snack
- Focus & recharge time (reading, games, quiet activities)
- Structured activity & sport
- Wind down and pickup

This routine helps children transition smoothly from school into activity and play.

This consistency creates a safe, comfortable, and engaging experience for every child.

SCHOOL PICKUP

- We provide direct pickup from school and transport children to our facility.
- Pickup is supervised and organised. Children are safely signed in upon arrival
- This allows families to access a program beyond the school setting.

FOOD & SNACKS

Children are provided with a light snack upon arrival.

We aim to:

- Provide a simple and enjoyable break after school
- Allow children to reset before activity

Please inform us of any allergies or dietary requirements.

COMMUNICATION

We keep communication simple and direct.

BOOKINGS & ATTENDANCE

- Bookings are managed through our online platform Smart Central
- Children must be booked in to attend
- Please notify us of any changes or absences

Consistent bookings help us maintain staffing and program quality.

BEHAVIOUR & EXPECTATIONS

We promote a positive and respectful environment.

Children are supported to:

- Respect others
- Participate in activities
- Follow instructions

Our approach focuses on guidance, consistency, and positive reinforcement.

ENROLMENT & CCS

Enrolment is completed through our online system.

- One-time setup
- Required details and documents uploaded online

We are approved for the Child Care Subsidy (CCS).

If you need help completing enrolment, we are happy to assist — either over the phone or in person.

PICK-UP & COLLECTION

Children must be collected by an authorised adult.

- ID may be required for new contacts
- Please notify us of any changes in collection arrangements

Pickup time is 6:00pm unless otherwise arranged.

HEALTH & SAFETY

The safety of children is a priority.

- Qualified educators supervise all activities
- First aid procedures are in place
- Parents must notify us of any medical conditions

OUR COMMITMENT

At Nimble Kidsz, we aim to provide:

- A structured and engaging afternoon
- A consistent and familiar environment
- A program that supports both children and families
